

16 Nerine St, Kingston

LIGHT FILLED SPACIOUS FAMILY HOME

Beautifully presented, this much loved home has had the same owners in it since new.

The chef would love the modern kitchen with its overhead cupboards; pantry; dishwasher and much more.

The roof has been restored and the barrier treatment for termites has recently been re-done. Both have warranties on them. All the bedrooms have built-in cupboards and ceiling fans and the bathroom is currently being renovated.

Downstairs is legal height and boasts a large rumpus area. A partly built bathroom is ready to be completed. Both the front and rear of the house have well-built decks. Sit out the back on the deck and enjoy our beautiful sunrises.
