

## WOULD YOU LIKE A BARGAIN ?

Two near level blocks of land each measuring 911 m2 and sitting side by side, and with-in a couple of hundred metres to a lake and park.

This land and the access road get flooded in the 1 in 50 year floods as the Council flood maps show. A permanent residence (House) would not be allowed on these properties.

The properties are close to a shopping centre; bus transport and the Logan river. A few minutes' drive away is the railway station; TAFE College; Public Hospital; Shopping Centres plus much more.

Because of the low price that these two blocks of land are likely to sell for, the Vendor is wanting to sell them as a package.
